All-In-One Engraver...
No Training Needed!

Introducing the **iMARC-IT Engraver!**

The *iMARC-IT* engraver requires absolutely no training*, software, or computer to run. Just plug-in the machine and follow the simple, step-by-step instructions on the large color LCD Display to engrave. The *iMARC-IT* engraver is ideal for scratch engraving, or diamond drag engraving, onto a variety of metals. The 2.5" x 6" engraving area is perfect for engraving pet tags, identification plates, and small gift items. The *iMARC-IT* comes standard with 7 Engraving fonts, and a wide variety of clipart to choose from.

*Once initial holder setup is complete

APPLICATIONS:
- Pet Tags
